KROY!

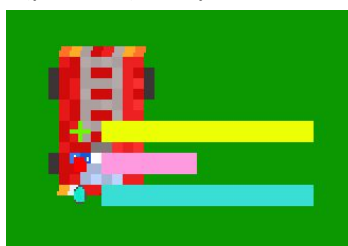

These are the characters present in the game.

You are the good fire engine, trying to save York.

The aliens are your enemy, you need to destroy as many of them as possible without causing damage to your truck

As a fire engine you need to be careful of three things: your health (yellow bar), your fuel level (pink bar) and your water level (blue bar)

These are the Alien Bases. They'll fire bullets at your fire engine causing it damage. You need to try to attack them making sure your health level doesn't drop too much.
